Dear Parents,

Back-to-School Night is an important event that is designed by teachers to give parents specific information about this year's curriculum and special activities. In addition, teachers will share their expectations, assessment practices, homework, and behavior policies. I know the staff is anxious to meet you and have the opportunity to discuss the challenging year that awaits your child!

If you have specific concerns about your child, please make appointment with his or her teacher for a private conference. ***Please do not bring your children to Back-to-School Night – there will be no child care.*** Open House, which will be held May 9, is an event designed for the whole family. During Back-to-School Night additional parking will be provided at St. Michael's Church and on the lower playground. In order for all of our families to be able to participate, please help make this a scent-free event.

I look forward to seeing you!

Denise Fosburgh
Principal
